

VISION

"A community where everybody belongs."

MISSION STATEMENT

"We provide opportunities and supports for individuals with developmental disabilities to live full lives within the community."

November 2020

Due to COVID-19 the Runway of Stars event was cancelled this year. The revenue raised through this community event is vital to our mission as funds are used to provide supports and services to people living with a developmental disability.

Although we are not able to gather in person, we believe that with your help, we can lessen the impact of COVID-19. We are asking for a financial donation to raise funds to assist children with special needs, their families and people living with a developmental disability to receive much needed additional assistance throughout the Christmas season and into the New Year. These funds will be used to purchase groceries, clothing and personal items.

A volunteer committee member will be contacting you in the near future to follow up with this request letter.

On behalf of the people supported by WDDS, we thank you for your time and consideration of our request and look forward to hearing from you in the near future.

Sincerely,

Runway of Stars Committee
